

EUROfase

DESIGN VISION

At Eurofase, our design values are rooted in:

creativity | **forward-thinking**
originality | **individuality**
influence | **social and environmental**
excellence | **quality**

These principles support a perspective that embodies the fusion of lifestyle, luxury, and timelessness.

INTRODUCTION

Material drives everything we design. At Eurofase, we believe light is only as powerful as the materials it works with: stone, glass, metal, finish. Each one is chosen for how it responds to illumination, how it ages, and how it contributes to the spaces worth perfecting.

That thinking is visible on every page that follows. New mirror collections bring natural marble and travertine into a new relationship with light. Updated finishes across our most established collections are considered for how they sit within the palettes of spaces being designed today, and an architectural outdoor range that carries the same material integrity to environments beyond the door.

Now explore where that thinking has taken us.

ICON GUIDE

Lighting

INTEGRATED LED

Incorporates LEDs directly into the fixture.

DAMP-RATED

Designed and constructed to withstand exposure to moisture and damp conditions.

LINE EXTENSION

This product is an addition to an existing Eurofase lighting family.

CORRELATED COLOR TEMPERATURE

Select and adjust the color temperature of the light, from warm to cool white.

WET-RATED

A wet-rated fixture suitable for direct exposure to precipitation.

EASY INSTALLATION

Product arrives pre-assembled, only requiring mounting to Junction Box (J-Box) and hardwiring.

DIMMABLE

The illumination of the light can be increased or decreased with a dimmer switch (sold separately).

ADA COMPLIANT

This fixture is designed to meet ADA (Americans with Disabilities Act) standards.

Mirrors

INTEGRATED LED

Incorporates LEDs directly into the fixture.

DEFOGGER

An integrated feature that will prevent fogging by heating the surface to keep it clear of condensation.

ADA COMPLIANT

This fixture is designed to meet ADA (Americans with Disabilities Act) standards.

EASY INSTALLATION

Product arrives pre-assembled, only requiring mounting to Junction Box (J-Box) and hardwiring.

CORRELATED COLOR TEMPERATURE

Select and adjust the color temperature of the light, from warm to cool white.

DAMP-RATED

Designed and constructed to withstand exposure to moisture and damp conditions.

TOUCH CONTROLS

A type of control that allows the user to operate and select functions through touch.

DIMMABLE

The illumination of the light can be increased or decreased with a dimmer switch (sold separately).

WET-RATED

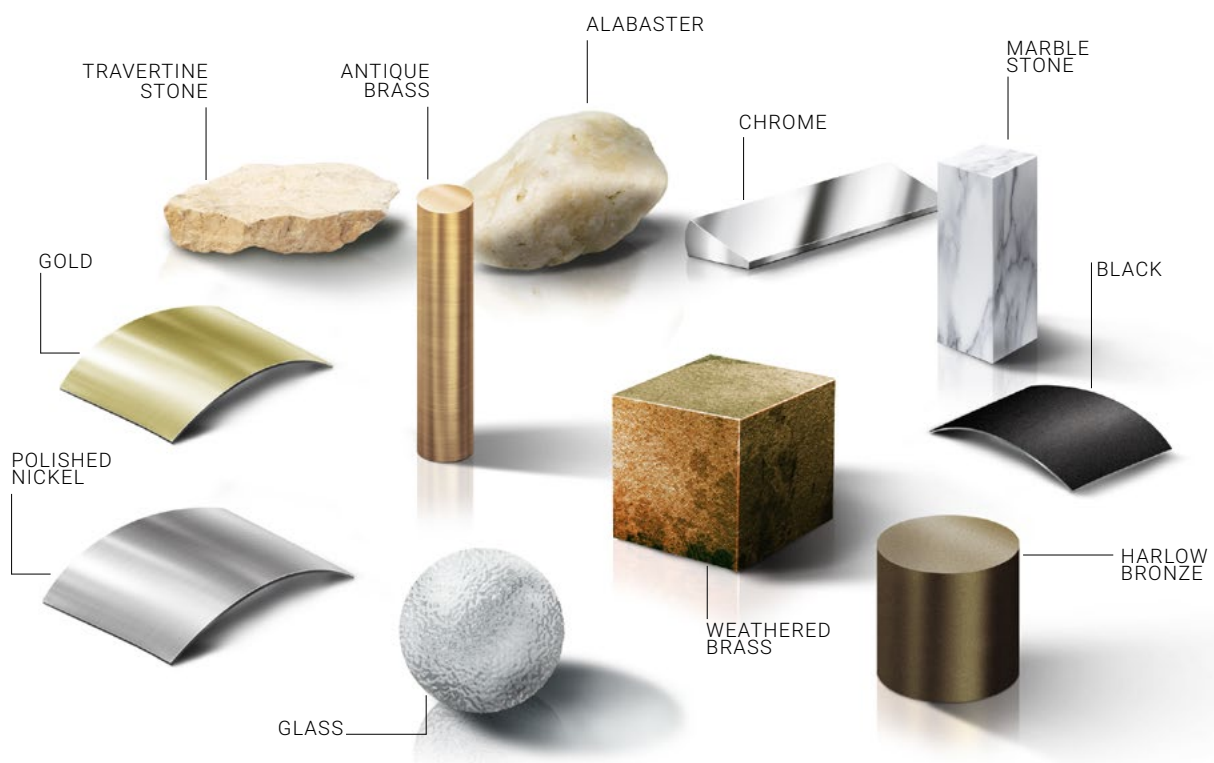

A wet-rated fixture suitable for direct exposure to precipitation.

HORIZONTAL / VERTICAL MOUNT

Mirrors can be mounted in portrait and landscape orientation.

FINISH & MATERIAL GUIDE

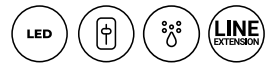

ATOMO

A precision LED source paired with hand-blown glass globes that deliver spectacular light refraction. Each globe, in clear or smoked glass, captures and diffuses light into layers of warmth and depth. Spanning vanities, chandeliers, and linear pendants, Atomo unifies a space under a consistent language of material and light.

Visit eurofase.com to explore the entire **Atomo** collection.

GROTTO

Layered artisan glass forms organic contours that change character with both daylight and illumination. Light radiates through in gentle gradients, revealing every ripple and edge. Grounded and elemental, like light filtering through stone and moving water.

Visit eurofase.com to explore the entire **Grotto** collection.

FLORIN

A cylindrical glass design rests within a slim protective outline capped by a broad circular plane. The result feels intentional and quietly sheltered, with diffused illumination settling into a soft, comfortable glow. Across wall, post, and pendant expressions, Florin maintains a cohesive presence shaped through proportion and calm material balance.

Visit eurofase.com to explore the entire **Florin** collection.

BOLLARD

ARCHITECTURAL

Outdoor lighting begins at grade. Our bollard range is built for designers who understand that the ground plane is as considered as anything above it. Each piece is designed to hold its own in an exterior environment, after dark and in full daylight. Scaled for pathways, entries, and open terraces, these fixtures define space without interrupting it.

Visit eurofase.com to explore the entire collection.

WALLMOUNT

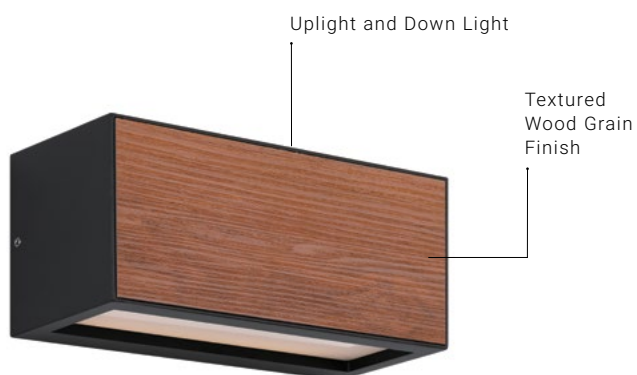

ARCHITECTURAL

The exterior wall is where architecture meets atmosphere. Directional forms that control light with intent, profiles that read as considered details from a distance, construction built for permanent outdoor installation. Each fixture is designed to contribute to the elevation it occupies.

Visit eurofase.com to explore the entire collection.

FUSHMOUNT

ARCHITECTURAL

Where ceiling and fixture become one. Our architectural flush mount range is designed for the exterior overhead plane: clean profiles that sit flush to the surface, diffusing light downward without competing with the architecture around them. Built for covered entries, soffits, and transitional spaces where detail is noticed.

Visit eurofase.com to explore the entire collection.

Flush Mount

A 50731-015
ARENA 100 | Ceiling Mount, 14W, Matte Black

B 50393-015
PATROL | Ceiling Mount, 15W, Matte Black

C 50717-019
PATROL Q | Ceiling Mount, 15W, Matte Black

D 50730-018
PLAZA 100 | Ceiling Mount, 14W, Matte Black

	DIMENSIONS	LIGHTS	WATTAGE	COLOR TEMP.	DELIVERED LUMENS
A	4.33" W x 4.33" L x 4.72" H	1 X Integrated LED	14W	3000K 4000K	1080
B	2.68" H x 9.84" D	1 X Integrated LED	15W	3000K	868
C	9.29" W x 9.29" L x 2.72" H	1 X Integrated LED	15W	3000K	874
D	4.84" H x 4.33" D	1 X Integrated LED	14W	3000K 4000K	1056

STEP LIGHT

ARCHITECTURAL

Good design holds at every level. Each step light fixture casts a controlled band of light across the tread. Precise, unobtrusive, and resolved. The architecture continues underfoot.

A 50391-011
PEEK | Step Light, 4", 4W, Matte Black

B 50392-018
PEEK | Step Light, 10", 7W, Matte Black

	DIMENSIONS	LIGHTS	WATTAGE	COLOR TEMP.	DELIVERED LUMENS
A	2.95" W x 4.21" L x 2.99" H	1 X Integrated LED	4W	3000K	267
B	3.43" W x 9.84" L x 3.13" H	1 X Integrated LED	7W	3000K	558

VELLURA

ACCENT HEATING

Vellura has always brought considered ambiance to outdoor living spaces. New shade color options now give designers a broader palette of tones, developed to complement a wider range of exterior finishes, furniture, and spatial moods. The same diffused warmth, with greater flexibility.

A EFH0138
29" Freestanding Heater + Light
FINISH Black

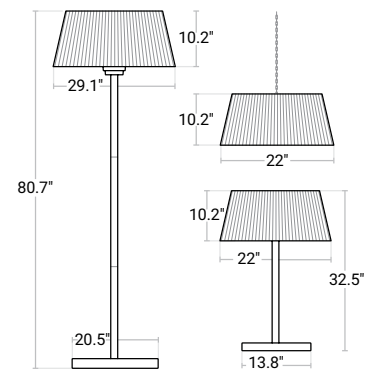

B EFH0139
22" Pendant Heater + Light
